

Tendu or Ebony or Coromandel Pre Rolled Leaf Organic Hand Rolled Leaf

Super slow burning organic leaf is not homogenized or tobacco leaf, it is purely natural unprocessed organic leaf, pre rolled cones are hand rolled from selected high quality leaves and filters are made from organic corn husk, pre rolls are technically hand rolled and air tightens without any adhesive. They're not a rolling paper and they're not a cigarette tube! They're a totally new concept in smoking – "Organic Pre Rolled Leaf"

Unique Characteristics of Coromandel Leaf - Super slow burning organic unprocessed leaf wraps emits a unique earthy aroma which enhances smoking pleasure • corresponds well with the filled/ packed herbal • Creates a good balance between all characteristics of smoking • Unfiltered pre rolled leaf are more enjoyable, the end tip are especially developed to hold back smoking mixture • It does not leave any taste of the wrapper • It has even burn quality • It burns slower so that the burn rate would match Cavendish tobaccos • A minimum of ash • Rolls are technically hand rolled without glue or any adhesive •
